

Reception School Admissions for September 2023

“Pupils are motivated and engaged in class. Teachers help pupils stay focused. Low level disruption does not disrupt learning. Pupils enjoy receiving rewards for positive behaviour and attitudes. Pupils spoke about why the ‘Oasis 9 Habits’ of character development are important. They said they try to live by these every day.”

Ofsted - January 2021

‘Pupils are happy in school and behave well in lessons. Leaders are trained to identify pupils with SEND and plan pupils personal development carefully.

Curriculum thinking is detailed, and all subjects are well designed.’

Ofsted - January 2021

At Oasis Byron, we believe our children can do anything if we give them the support, challenge needed and make them feel valued.

We are a one form entry primary school offering places from reception through to year 6.

Our school is the school of choice for many parents in the local area. The established staff team is committed to working towards and achieving the best outcomes for all our pupils.

We have high expectations of our children and offer a curriculum that is creative, balanced and fun; but more importantly based on the needs of our children.

Our experienced reception staff are committed to ensuring that your child is fully prepared for every stage of their educational journey. Our goal is to equip them with skills that will enhance their future.

Open mornings:

12th October and 22nd November (arrive for a 9:30 talk from the Principal and then a tour of the school from our Y6 ambassadors)

(Reception applications for entry in September 2023)

In early years our children are immersed in a rich, creative and stimulating curriculum which develops not only literacy and maths skills to an extremely high standard, but also their emotional intelligence.

The Early Years provision is excellent. We have a large outdoor space which facilitates learning through play.

We also have a very successful PTA (FOB) and we actively encourage parents and carers to take part in their child's learning, as well as join FOB.

Our School Vision

At Oasis Academy Byron, we are ambitious for our children and their families and are driven by our moral purpose to ensure that everything we do has a positive impact on the children's lives. We are determined that our children will endeavour for excellence by taking pride and joy in their learning and themselves. For this to be achieved, we firmly believe that every child will be supported, valued, and challenged.

We will not put a ceiling on what can be achieved and by working closely together and continuously improving our practice, we know that this can be possible for all our children and families.

Parents are overwhelmingly supportive of the school's work. They appreciate the lengths staff go to in ensuring that their children are well cared for and well taught.

Parentview – January 2021
