

Dear parents/carers

26th April 2022

Reception class trip: Bockett's Farm

On Tuesday 17th May, reception class will be visiting Bockett's Farm Park. The cost of this trip will be £14.90 per child inclusive, which must be paid via Parentpay. If you require a Parentpay login letter, please contact the school office. Please note that if we do not receive enough money to cover the cost for the trip, we may have to take the difficult decision to cancel the trip.

The class will travel by hired coach to the farm, which will be fitted with seatbelts. Please ensure the children arrive promptly on the day, as we will be leaving school, between 09:00 – 09:30 and we expect to be back by 15.15. For the trip, they will need to wear their normal school uniform but should wear sensible shoes. Please check the weather forecast on the day, as we suggest that your child has a rucksack containing a sun hat, a waterproof coat, and their school jumper. Please ensure that you put sun cream on your child as we are unable to apply this during the day.

On the day, the children will need a healthy packed lunch (not containing fizzy drinks, chocolate, or sweets) and their water bottle and an additional bottle of water (no glass containers). They do not need any money as we are not visiting any shops.

If you are available to help on the trip, please speak to Mrs Turner as we have a few spaces for parent helpers.

Yours sincerely,

Mrs Turner
