Year 1 Bring and Buy Sale!

Dear Year 1 Parents and Carers,

This half term the children have been learning about the UN Global Goals. We've really enjoyed learning about how we can be more sustainable and take better care of our world. We have had an idea about reusing some of our preloved items and would like to hold a bring and buy sale on Friday 8th April at 3.15pm after school in the Year 1 classroom. This event will be for Year 1 children only. Siblings are more than welcome to join the shop but may not be able to buy anything as it is dependent on how many items we have donated.

Please can the children in Year 1 begin bringing in old toys or clothes that they would like to donate to the sale. On Friday 8th April, children can also bring in up to £3 to spend in our Year 1 shop.

We would ask that all toys and clothes be in good working order, with no holes or snags and no electronic toys.

We really look forward to hosting our shop and hope that you will be able to join us.

Miss Milward
