

World Book Day 2022

24th February 2022

Dear Parents and Carers,

Once again we are looking forward to celebrating **World Book Day** which this year falls on Thursday 3rd March. This year one of the World Book Day themes, is bedtimes stories. Therefore, we are inviting all children to come into school dressed in their pyjamas and bring a teddy too. The whole school will then have a bedtime story session at 3pm on this day. Please can you ensure your child also wears a jumper and trainers to school as well

In addition to this, we are also offering children the opportunity to create their own potato character for world book day. For inspiration, please see the images below, can you tell who they are? For anyone who brings in a decorated potato character they will be awarded with 20 dojos! We are hoping to make a potato character gallery for the children to see in the dinner hall.

Thank you for all your support,

IMílward
