Set your child up for online safety with these simple tasks

Manage broadband & mobile networks

At home, access your broadband network and set applicable controls.

On the go, set up controls on the relevant mobile network.

See [step-by-step guides](#) to help

Prepare their device

Explore the [device controls and settings](#) to set limits on inappropriate content, screen time, spending and more.

Download and install the apps and games you're okay with your child using.

Set up controls in these apps and games to help keep your child safe while they play, browse or chat.

Install or set up additional [parental control apps](#) for further protection.

Explore [step-by-step guides for social media and video gaming](#)

Talk & learn regularly

Together, learn about online safety issues that might impact your child.

Together, explore privacy and safety settings on their favourite platforms.

Ask them to teach you about their favourite online platforms to create an open environment for conversation.

Keep these conversations going for continuous support.
