MESSAGE FROM THE MAYOR

"London will get through these extraordinarily difficult times, not least because of the continuing hard work of nursery staff, teachers, parents and carers keeping children safe and learning. I want to help support these efforts and ensure that young Londoners still feel connected to the incredible people, places and culture of their city. This is why I have launched [London Learning at Home](https://www.london.gov.uk/coronavirus/london-learning-at-home) - a collection of free educational and cultural offers from across our capital's leading organisations. Our city has faced many challenges in the past and always come through them by working together #LondonTogether"
