

NEWS UPDATE

Years 6, 1 and Reception 'bubbles' continue to work hard on their days at school. Different groups of children attend in two day rotas on Mondays and Tuesdays then Thursdays and Fridays.

Our keyworker children are also in during the week.

A reminder please that if you are considering sending your eligible child back, please make sure you contact us first and allow a minimum of one week's notice so that we can make appropriate arrangements.

Class home learning packs are refreshed every week and can be downloaded from the Oasis Academy Byron website at

<https://www.oasisacademybyron.org/curriculum/home-learning>

Alternatively, hard copies can be collected from the school office.

Please just ring us first so that we can make sure that we have sufficient packs available.

Finally a big 'thank you' to all our parents who completed our online survey.

Your input will help inform what we do going forward.

Have you changed your telephone number, email address or even moved house?

We will need to make contact with you from time to time, so please make sure that we have your current contact numbers, email and home addresses. We can then make sure that you do not miss out on any updates.

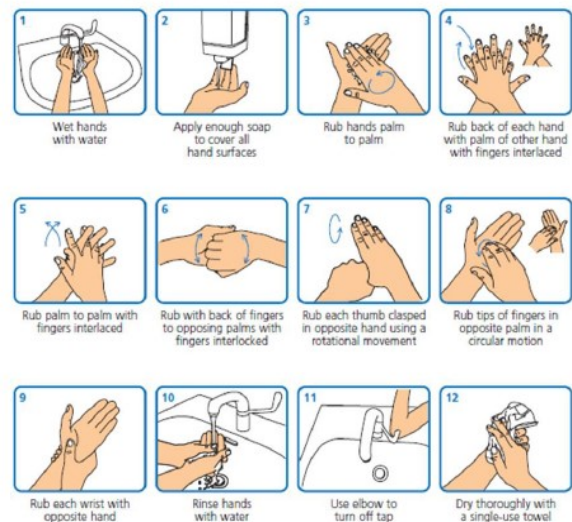

Also, do please contact your child's teacher or the school office if you have any questions or anything you wish to discuss.

If you travel by public transport, please don't forget that we will be required to wear a face covering when on board from next Monday (15th June).

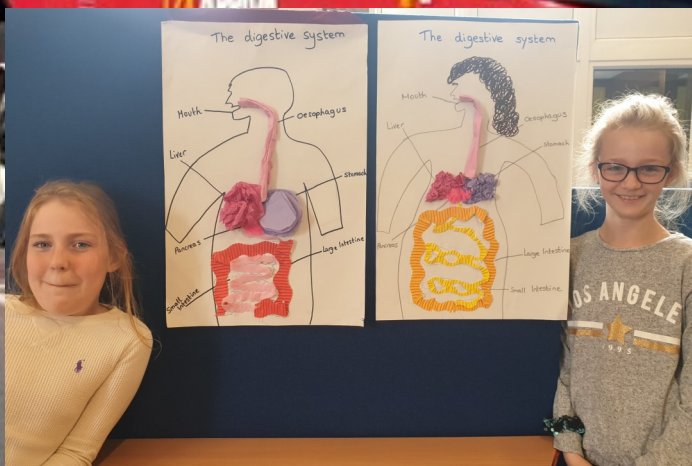

Hand-washing technique with soap and water

Hand washing should take 15-30 seconds
