

NEWS UPDATE

FROM US TO YOU

During these difficult and confusing times, we want to make sure that you know we can still be contacted by the school community. We will try and reply to any questions as quickly as we can but are sure you will understand when we say 'please bear with us'. Some staff are of course working from home and may not receive your message immediately. We will try and keep you as up-to-date as we can and plan to issue a newsletter every week during school closure. There will be weekly learning packs for after Easter and these can be completed on paper and do not need to be printed out.

Thank you and keep well.

If you have not received yours by the 3rd April, please let us know.

Here we have a brilliant piece of work done at home by an inspired Year 1 pupil. It is a collage of a building created out of scrap paper from an old magazine!

Parents of all children in Reception, Key Stage 1 and those entitled to free school meals should receive vouchers next week through an email address that you have provided.

If you do not receive anything, again, please let us know but please make sure you check your 'clutter' and/or 'junk' folders!
